Hotelware & Food Service Equipment

Dear customer,

Our company, a family owned business is known and perceived as a company focusing on customer satisfaction, quality and safety of our products and complete delivery program.

As a leading importing and distribution company of kitchen equipment and utensils in the Benelux, we source our products from partners and suppliers all over the world who share the same values as our company.

All products offered by EMGA International B.V. are produced in accordance with general product safety regulations set out by the European Community including the European Community Regulation on safe use (REACH). Products which are intended to come into contact with alimentary products comply with European standards on food safety.

-regulation EC No 1935/2004 of the European Parliament and of the council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC.

-commission regulation EC No 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food

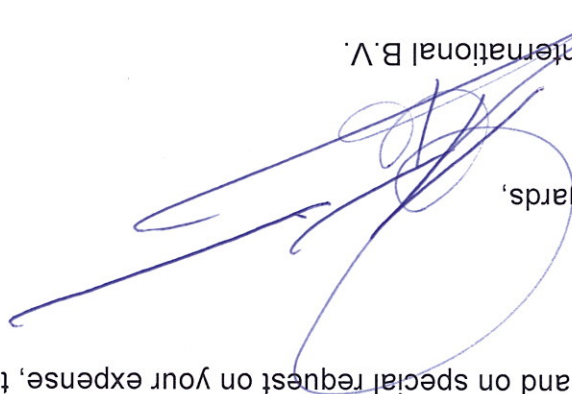

-commission regulation EU No 10/2011 of 14 January 2011 on plastics materials and articles intended to come into contact with food.

As part of our intellectual property, we cannot reveal our production sites to our customers.

Further, our company pays special attention to the social and environmental standards applied by our suppliers.

To ensure the correct application of these regulations, we keep improving our internal quality procedures and buyers instructions as often as possible. Hereby, we can confirm that our products comply with the above regulations and fulfill needs in this respect. So we can process, on your demand and on special request on your expense, tests and certificates on our products.

Kind regards,

  
EMGA International B.V.
